

New ONLINE INTELLIGENCE

New **FABRAL.COM**

Featuring
**IMPROVED TOOLS
& RESOURCES**

Our online presence just got a whole lot smarter – in appearance and content! With a dynamic new design, intuitive navigation, improved tools and resources, and comprehensive product information, Fabral makes your job easier than ever. It's a brand new environment out there, and Fabral is leading the industry with a better, more advanced web site designed for both you – the architect, the engineer, the contractor – and your customer. We invite you to explore exciting new features like our Color Visualizer, and easy-to-use dealer locator* and experience a new era of smart online resources.
