The demand for sustainable, green building products continues to grow, and Fabral's products and resources allow you to take advantage of this opportunity to sell more buildings and make more green!

***Renewable energy production is hot!***

- Fabral now offers our Solar SSR™ system integrated with exposed fastener panels (PATENT PENDING), creating solar solutions and profitable projects for post-frame, agricultural and light commercial markets.

***Saving money is even hotter!***

- Make more money with Fabral products by helping your customers take advantage of two new important tax credit programs:
  - Up to \$1,500 in a federal tax credit for ENERGY STAR certified metal roofing
  - A 30% federal tax credit for solar PV systems (+ many state and local utility programs)

And to help you spread the message, Fabral now offers exclusive online marketing support - fliers, ad slicks, photos and more; visit [www.Fabral.com](http://www.Fabral.com)
